**Our film has been shown on Austrian television in their Christmas program,
now we would like to bring it to you!**

**We are on tour in spring with the
film and in autumn together with
the new biography of Karl König by
Regine Bruhn**

**Please let us know if you would like us to offer an event or help you
with a screening! The film is one hour in length and we can offer an
introduction or also a talk about Karl König's healing impulse for the
human being, social life and the being of the earth**
