Throughout the Conference we will be hosting an exhibition of Greg Tricker's Paintings.

If you have material about your organization that you would like to share, please bring this in at the beginning.

If as ECCE member you wish to attend the **ECCE AGM**, please can you indicate this on the Emerson booking form.

If you wish to arrive on Wednesday, can you mention that on the Emerson College booking form please.

On Sunday afternoon, after the closing of the Conference, there is a potential invitation to The Mount for up to 20 or so participants for a celebration of Karl König's work and the

Mount Community's 50<sup>th</sup> birthday, which may need for you to book an extra night at Emerson. Please can you do so on the booking form and let Paulamaria know.

On Sunday evening there will **not** be a Supper available at Emerson, so we will most likely book a local meal for the active Acesa members-group to take further what has sounded in the Plenum and discuss future developments. Please let us know that you will be there, so that we know numbers.

If you do require an extra night at Emerson on Sunday night and breakfast on Monday morning this is possible; please include this on your booking form.

If you have an initiative you would like to share, please let Paulamaria know and we will find you a slot and a space.
