

Karl König Conference Retreat

“The Social and Spiritual Impact of Karl König”

3rd-5th April 2025, St. Bride’s Hall, Christian Community, Stroud

Dear Friends,

Attached is the invitation to a reimagined event to turn to the work and inspiration of Karl König and his ongoing legacy. The original programme did not elicit as much response as we had hoped for.

We think we understand the reasons for this and have therefore decided to propose a new format and approach. This will be more in the form of a workshop or retreat, and we would like to see it as a gathering to lay the foundation for a bigger conference, possibly later this year or next year.

The retreat will be from Thursday supper to Saturday lunch, and the anticipated costs will be much lower - £40 per person or £60 per couple, payable in cash on arrival.

Please indicate your interest to attend by replying directly to me, Peter Bateson. The accommodation list still stands and is also attached.

We very much hope this new plan will meet with your interest and enthusiasm.

With warmest good wishes,

Peter Bateson, Richard Steel and Cornelius Pietzner
